BUILDING TOMORROW'S FAMILIES

## *Pray with us for Ansleigh.*

*We believe that prayer is powerful, and that your intercession will make a difference for the children and families we serve.*

# 15-year-old Ansleigh

grew up in a cycle of poverty and abuse. When she came to Thornwell, she did not feel worthy of love. She had been neglected and mistreated for so long that she had begun to believe she deserved it.

Today, she carries forward with a new perspective and truth - she is a beloved daughter of the King worthy of abundance! While it's still very much a healing process, it's your love and kindness that have turned ashes into beauty and despair into hope! Thank you!

Please join us in praying for Ansleigh, her growth in faith and self-confidence, her continued healing, and for the future ahead of her.
