# 14-year-old Josiah

didn't grow up in church. He had heard of God, but surviving the conditions of neglect he grew up in didn't leave much time to think about Him. The week he arrived at Thornwell was his very first Sunday stepping foot in a church and hearing the Word of God preached.

This Fall, he attended a youth conference with the other boys in his cottage. He and his friends were uplifted and came home full of questions about how they could trust God in hard times.

This led to some amazing conversations, and shortly after, Josiah gave his life to Christ! Every day we are overwhelmed by God's faithfulness to pursue His children and our small role in it!

Please pray with us for his continued growth and faith in God, for his relationship with his family, and for the future ahead of him.
