BUILDING TOMORROW'S FAMILIES

Pray with us for Aubrey.

We believe that prayer is powerful, and that your intercession will make a difference for the children and families we serve.

15-year-old Aubrey

is raising her 9-month-old daughter in our teen mom cottage.

Thanks to generous friends like you, they had the opportunity to visit the Georgia Aquarium. Aubrey's dream job is to be a marine biologist, and she was able to get more exposure to the field and experience all the aquarium had to offer with her daughter. They were both so excited!

Since then, she's been working on raising her grades in order to be equipped and ready for her chosen career. Through Read Right, tutoring, and hard work, she's raised her grades significantly--all while making time to learn how to be a mother!

Please pray with us for her continued dedication to her studies, for her growth as a young woman and mother, and for a bright future for both her and her daughter.
