BUILDING TOMORROW'S FAMILIES

Pray with us for James & Marissa.

*With your support, we can make a difference
for children and families*

James and Marissa

were just one and three years old when they entered foster care. Due to neglect and an unsafe home, they both had developmental delays and spent a lot of time in and out of the hospital. It was critical for them to find loving homes to help them heal.

Not only did James and Marissa find loving homes through Thornwell, but they see one another for weekly play-dates. It's important siblings continue to live together in foster care, and when that's not possible, our strong network of families makes it possible for siblings to remain connected.

Today, they have a beautiful relationship, and thanks to regular rehabilitative therapy, they are improving by leaps and bounds every day.

Pray with us for James and Marissa, their relationship, and continued improvement!
