BUILDING TOMORROW'S FAMILIES

## *Pray with us for Tyler.*

*"Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever."*

*Ephesians 3:20-21*

# 15-year-old Tyler

was hurting when he arrived at Thornwell. He lashed out at everyone around him because he hadn't learned how to recognize or handle his emotions. During his time here, he worked through his past with a therapist and built healthy relationships with those around him. Slowly but surely, he learned how to express his emotions, how to accept the decisions of those in authority, and how to communicate with kindness and respect.

He recently returned to kinship care, and the growth he experienced here is making a huge difference in his family. He has a new willingness to participate in regular family therapy because he's seen the difference it made in his own life. Together, they are working towards healing and a healthier future.

Please join us in praying for Tyler and his family!
